god you must accept the idea that the god force is within you when you perceive god as a force outside of you you can't use its energy properly once you internalize the force and it is not just a vague intellectual concept of the god within then you can feel the god force inside of you 2 your first power is to believe in god this may seem egotistical but you are not embracing the idea of god to talk about it or show off your godlike qualities rather you are silently internalizing the idea that the god force is within you as a spiritual feeling 3 to become free and activate the infinite self you must abandon the dogma of the ego and adopt a more fluid and open approach otherwise you are perpetually stuck in the agony of the ego 4 you are the god force within you have the power to control your life you must accept the infinity within you and begin to rely on the power of your intellect and perceptions of the ego's world

for decades modern seekers have experimented and studied with many diverse teachers and religions but stuart wilde says in that toward the end of a long spiritual journey we all seek the same thing redemption none of us is perfect and yet through embracing that imperfection and reconciling it we become a complete being encompassing both the light and the dark as stuart says many mystics holy people and even the hopi indians have predicted a new age of enlightenment and they are not wrong in my view it has arrived and with it has come a whole host of fascinating phenomena never seen before we are stepping into a magical new era the age of forgiveness it is when the ivory tower of the ego's ideas falls that we can then embrace a new humility allowing us to become ever more genuine compassionate and real in this fascinating book stuart makes the point that the process of redemption and forgiveness comes from incorporating the three graces in one's heart tenderness generosity and respect

silent power like its bestselling predecessor *Life Was Never Meant to Be a Struggle* is a tiny book filled with practical advice on living more fully using your silent power. Author Stuart Wilde claims that there is a silent power within you, an inner knowing that grows because you understand its infinity. Silent power teaches you hour by hour; it is with you this very minute as you begin to trust your power. It can lead you step by step to the next person and place in your life.

Money making is not a serious business; it is a game that you play. At first it may seem that it is a game that you play with forces outside yourself, the economies of the marketplace, so to speak. But as you proceed, you discover it is actually a game you play with yourself. Stuart Wilde's *Money*, his fifth work, deals with the *essence* of easy money and the art of being in the right place at the right time with the right idea and the right attitude. Like his other highly successful books, this work is full of useful information. His breezy and comical style makes for effortless reading as you plot your path to complete financial freedom.

The next step in your personal transformation journey into an incredible spiritual terrain unknown to all but the most adventurous seekers in the Journey Beyond Enlightenment. Internationally acclaimed author and spiritual warrior Stuart Wilde will show you how to access and enter what he calls the mirror world, a hyperdimensional reality that exists beyond the constraints of time, space, and intellect. A reality that lies just past the limits of ordinary vision, a reality which once you enter it will reveal the astonishing power of true authentic spirituality. Stuart presents a host of guidelines, mechanisms, and practical exercises for entering this mirror world and navigating your way through it. As you progress along this remarkable voyage, you will discover how to experience the collective unconscious as a physical dimension you can actually travel to inhabit and explore the best time of day.

to view the mirror world the bodily sensations that indicate you are engaged with the mirror world how striving for enlightenment in the conventional ways is actually keeping you further from it astonishing new biophysical research that supports the existence of the etheric field the key to making yourself invulnerable to dark energies and much much more

stuart wilde one of the most profound and original thinkers of our time brings us whispering winds of change whispering winds of change will appeal to lovers of alternative ideas and philosophies stuart wilde challenges us to stand outside the usual paradigms of consciousness as fringe dwellers he asks us to observe the dying throes of what he calls the world ego the embodiment of the manipulative and dominating force of the status quo with his characteristic candor and wit he plots a fascinating comparison between the overall global destiny and an individual s personal sacred inner journey wilde believes through quieting the ego and creating a rotation out of the three dimensional world of external reality to the fourth dimension of the inner being we can each offer serenity and healing to ourselves and the rest of the world like his other books this work is full of compelling ideas unusual perceptions and esoteric concepts for individuals who want to progress inwardly while making a success of their lives in the external world

the thoughts and ideas in this book form the basis of stuart wilde s philosophy on how to develop a more liberated mind set and thus a more carefree and delightful life the thoughts and essays are from his best selling books as well as his unpublished writings you can just open the book anywhere and start reading usually you ll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life somehow synchronicity will always lead you to
